Ingelheim, Germany
Phone: +49 6132 77 181604
emilio.erazo-fischer@boehringer-ingelheim.com

Dr. Maria Antonietta Impagnatiello
Vienna, Austria
Phone: +43 1 80105 2324
maria_antonieta.impagnatiello@boehringer-ingelheim.com

Worldwide Contacts Business Development & Licensing

Respiratory Diseases

Opportunities to block pro-fibrotic signaling beyond standard of care; approaches to induce lung repair.

Dr. Silke Hobbie
Biberach, Germany
Phone: +49 7351 54 98309
silke.hobbie@boehringer-ingelheim.com

Central Nervous System Diseases

Innovative approaches to modulate maladaptive neurocircuits for treating symptom domains within neuropsychiatric diseases

Dr. Christian Thomsen
Biberach, Germany
Phone: + 49 7351 54 175571
christian.thomsen@boehringer-ingelheim.com

Research Beyond Borders

Searching for new and disruptive ideas and technologies across the research spectrum with a focus on gene therapy, regenerative medicine and infectious diseases.

Dr. Bernd Nosse
Biberach, Germany
Phone: +49 7351 54 94701
bernd.nosse@boehringer-ingelheim.com

Technologies

Translating the most promising NCE and NBE technology innovations (e.g. platforms and enabling technologies) into impactful applications to support Research, Development and Translational Medicine.

Dr. Bernd Nosse
Biberach, Germany
Phone: +49 7351 54 94701
bernd.nosse@boehringer-ingelheim.com

Dr. Marcio Lasaro
Ridgefield, CT, USA
Phone: +1 203 791 6824
marcio.lasaro@boehringer-ingelheim.com

Biotherapeutic Technologies

Asia

Dr. Takeshi Kono
Tokyo, Japan
Phone: +81 78 306 4060
takeshi.kono@boehringer-ingelheim.com

Dr. Namiko Yamashita
Tokyo, Japan
Phone: +81 3 6417 2853
